

OHIO ASPHALT PAVING CONFERENCE
WEDNESDAY, FEBRUARY 6, 2019
EXHIBIT SPACE AVAILABLE

On behalf of the planning committee of the Ohio Asphalt Paving Conference (OAPC), I would like to invite your company to become an exhibitor at our next conference, scheduled for Wednesday, February 6, 2019. It will be held on the campus of The Ohio State University at the Fawcett Center, 2400 Olentangy River Road, Columbus, Ohio. This will be the 44rd year for this conference. The purpose of the conference is to provide current technical information on the construction of asphalt pavements to federal, state, and local engineers and technicians, as well as to contractors, consulting engineers, materials suppliers, university representatives, and others from throughout Ohio. Last year's conference had an attendance of over 400 people.

The conference is scheduled to start at 8:30 A.M. and end at 3:15 P.M. It includes a number of technical sessions, breaks, and lunch. The exhibit space has a limited number of electrical outlets, which are first come – first serve. Exhibits will need to be free standing as the display spaces consist of a 6 ft. long by 30in. wide draped table. You will be able to set up your exhibit the day before (until 5:00 P.M.) or on the morning of the conference. The fee for exhibits is only \$300, which includes registration for two people, breaks, lunch, and attendance at the technical sessions. Additional individuals are welcome, but will need to register and pay the \$70 registration fee (\$95 after January 25 and at the door). If you are interested in participating, please make out a check payable to the Ohio Asphalt Paving Conference and mail it to:

Flexible Pavements of Ohio
6205 Emerald Parkway, Suite B
Dublin, OH 43106

The names of the two people for free registrations must also be enclosed. The OAPC program contains conference hotel information, session topics and other relevant information. Credit card payment is also available by calling Flexible Pavements at 614-791-3600.

Contact Conference Director Bill Christensen, P.E. at wchrste@insight.rr.com with any questions or for additional information. Thank you in advance for your consideration.
